

***CALIFORNIA HEALTHY KIDS SURVEY NOTIFICATION AND WITHDRAWAL FORM
2007-2008 SCHOOL YEAR***

Dear Parent or Guardian,

Your child is being asked to be a part of our school's Healthy Kids Survey sponsored by the California Department of Education. This is a very important survey that will help promote better health among our youth and combat problems such as drug abuse and violence. Please read this form for information about the survey, and for instructions on how to withdraw your child. *If you do not want your child to complete the survey, you must notify your school.*

Survey Content. The survey gathers information on behaviors such as environmental and individual strengths and assets; alcohol, tobacco, and other drug use and bullying and violence. It may also include questions regarding [DISTRICT NEEDS TO DETERMINE NEED FOR ADDITIONS:] [F TAKING MODULE C:] considering, planning, or attempting to commit suicide; [IF TAKING MODULE F:] sexual behavior and practices leading to HIV/AIDS, sexually transmitted diseases, and pregnancy. You may examine the questionnaire in the school office or at your district's website [INSERT DISTRICT WEB ADDRESS].

It is Voluntary. Your child does not have to take the survey. Students who participate only have to answer the questions they want to answer, and they may stop taking it at any time.

It is Anonymous. No names will be recorded or attached to the survey forms or data. The results will be made available for analysis only, under strict confidentiality controls.

Administration. The survey will be administered in [DATE OF SURVEY ADMINISTRATION]. It will take about one class period to complete (about 50 minutes) and will be administered in your child's [English/Health/PE] class.

Potential Risks. There are no known risks of physical harm to your child. Risks of psychological or social harm are very small. None have been reported in ten years of survey administration. In rare instances, some discomfort might be experienced from the questions. The school's counseling services will be available to answer any personal questions that may materialize.

For Further Information. The survey was developed by WestEd, a public, non-profit educational institution. If you have any questions about this survey, or about your rights, call the district at [INSERT PHONE NUMBER OF DISTRICT CONTACT].
